The screenshot shows a web browser window with the URL <http://rosneft-oil.online>. The page features the Rosneft logo and a navigation menu with links: HOME, ABOUT, BUSINESS, PRODUCTIONS, SHAREHOLDERS, CAREERS, ENQUIRE TODAY, and BECOME SHAREHOLDER. The main content area is divided into three sections:

- Oil/Gas Field**: Includes an aerial photograph of an industrial site.
- Oil Production**: Contains the following text: "The Company's share in oil production approximates 40% in the Russian Federation and 6% globally. Average daily HL production reached 4.66 mmb / d in Q4 2016, up by 12.1% compared to Q3 2016 and by 13.3% to Q4 2015. Effective management of the upstream asset portfolio and investments in the development of greenfields allows Rosneft to ensure a stable current and future growth in hydrocarbon production." Below the text is a "LEARN MORE" button.
- Gas Production**: Contains the following text: "Gas Production Against the backdrop of the global growth of production and use of gas as the greenest fossil fuel, Rosneft continues to expand the share of gas in its asset portfolio and in hydrocarbon production volumes (21%), gradually closing the gap between itself and major international companies (30-50%)." Below the text is a "LEARN MORE" button.

A large red watermark reading "ОШИБКА" (MISTAKE) is overlaid diagonally across the entire page. The browser's status bar at the bottom right shows "100%" zoom.
